

The Festivals

Topics Discussed: The Festivals, Michael Taylor (Testimony) and our Papers

The promise is we will sing when we gather at the festivals. There our Father promises to meet with us. The Holy Spirit empowering each person — that is when we will sing and dance. We will sing songs from the Scriptures with our own melodies, with hundreds of flutes and violins. It will astound the whole world. The nations will come in, joining in, coming to know Yahshua — baptizing them. Our children will be prophesying. We are not waning, but waxing. The appointed times (the Moed in Hebrew). The appointed times are when He makes the time to meet with His people. Isa 30:29 (NIV) — Singing like celebrating the holy festivals. This is what He has in store for us — not like now when we are laying the foundation. Our children will reap the harvest. The households can practice as a mini festival, meeting together. We are Israel.

The word festival means circular dance. We've been learning to dance for 15 years, so we are ahead of the game. The nations will admit and confess that God is in their midst. Amen means, let it be. It won't happen without our Amen. The gospel we have needs the festivals, so the word will go out — (like two going to witness does twice as much). This is why we go out in two's — we are bolder when we are with someone else.

Michael Taylor

How do you know you received the Holy Spirit? Of course you love the brothers. You don't receive the Holy Spirit unless you were forgiven. You aren't forgiven unless you repented. You can't repent without giving up your life and giving up all your possessions. If we love Messiah, we will give up everything for Him. This is the gospel: 1) Giving up your life. 2) Giving up your possessions. This is coming into the New Covenant.

It is the greatest testimony that Michael could do the things he did and still come back and choose Him. Eph 2:1-3 — Dead in his trespasses. Michael is a testimony of our Master's love and mercy. It is not hard to love and have mercy when you have received mercy and forgiveness yourself (1 Tim 1:17).

Our Papers

We don't want our flesh to write any of our papers. Without prayer we will be in the flesh. We want a paper that will reach people's hearts. Our duty is to pray for this. If we all pray for that paper (The Billy Graham paper), there is no telling what that paper will do. YOU (every person with the Holy Spirit) must pray for the paper. Praying does everything. How many people does our Father have on the earth that will pray for His will? Jn 9:30 31 — If we don't pray, no one is praying. He won't do everything without us praying. Your prayer counts — every second we are opposed by the enemy. We have continual apposition — we must overcome the opposition. We must be the example of this prayer, so we can rejoice when people are saved. You can rejoice when this happens because you were praying. We have an enemy.
