

Cut Out of the Mountain

The angels of YHWH are encamped around those who fear Him (Ps 34:7). If we are those who fear Him, then His angels are encamped around us.

We are learning to be honest — tell our Father our faults, weaknesses, desires, sins, express our hearts to Him. Expose our sins. He will do the rest. He will cleanse us and purify us more and more. Honesty is what He is looking for. He is not looking for performance or super men. He is just looking for us to be honest.

Ha-Emeq told a story about how Daniel interpreted Nebuchadnezzar's dream about the statue of gold, silver, bronze, iron and clay, in Daniel 2. The ten toes of iron and clay which are divided on two feet represent ten kings. The iron and clay mixture will be tough but brittle. The separate feet will be divided and thus not strong. In the days of those ten kings the God of heaven will set up a kingdom of His own, never to be destroyed. It will crush and destroy all other kingdoms just like a stone cut out from a mountain without hands (Dan 2:34,35,44,45). The dream is sure and the interpretation is true. In the last days we will understand. Ha-Emeq told the children that we need to try to understand this and who that rock is because it is almost time.

Yoneq talked about the stone kingdom that was going to destroy all the other kingdoms. (Mt 21:43-44 — “The kingdom of God will be taken away from you and be given to a nation producing the fruit of it. He who falls on this stone will be broken to pieces; but on whomever it falls, it will scatter him like dust.”) Whoever falls on it will be saved/broken. Whoever it falls on will be crushed. We came and were broken/saved.

He said that the stone in Dan 2:34 is not Christianity. Christianity is already in existence, and the stone is just NOW being formed in the days of the ten kings. We identify the stone with the Body of Yahshua, the holy priesthood, corporation, His seed, the fourteenth generation, the suffering of His soul, the travail of His soul, His Body; it is that stone that is being formed now while those ten kings are coming about. It says in Dan 2:44 that in those days, God will set up a kingdom to destroy all other governments, authorities, and nations.

Dan 2:34 says a stone is being hewn from a mountain. It will grow to be a mountain of its own and fill the whole earth and then go into the next age and then the age after that and will rule with Messiah.

Yoneq said that it is through our stand, our non-compromising stand, that we destroy other kingdoms, not by military might. In Yahshua's kingdom, the *king* = Yahshua; the *dom* = us (the dominion; the domain of the king). Christianity has already fornicated with the kings of the earth, but the Body is in bold contrast to the kings of the earth. We will not take up arms against those who come to destroy us like other movements did — we will be obedient to Messiah.

The ecumenical movement will deceive everyone in the twelve tribes except the elect. They will preach unity in diversity; probably having communities; everything that looks good. There will be a reunion of Catholics, Protestants, etc. It will take in the inhabited world of Christianity. But they will not be one heart, soul, and mind under the Head and the Holy Spirit. Great leaders will come forth in the last days — able to speak and convince. They will know the Bible frontwards and backwards. They will establish unity. *But Daniel says it is not Christianity that is that stone.*

It is going to test every person. Each and every last person has to be tested. Each person's heart has to be tested. There cannot be a crooked bow (deceitful). There is no way you can hit a target with a crooked bow. We have to hit the bull's eye, otherwise we will not make it. We cannot do it with a deceitful bow.

We have to hear his commands perfectly from the head. We must be perfected in unity and oneness. Those who are not, will be deceived. Right now our Father is making a pure foundation — a sure, tested foundation stone in which there is no deceit. We are being tested. That is why he is not adding to our number by the thousands now. He is making sure that we are able to stand. Because many will come in over the wall who have not capitulated and who still have their own opinions, etc. It is not pleasant to hear about this, but we must hear it. It is the Word of our Master.

Ha-Emeq shared that it was so amazing that this kingdom is a kingdom of love and that that is what is going to crush the other kingdoms. “How can a kingdom of love be so violent and destroy kingdoms? It is hard to imagine how it will have that power — stronger than death. It is going to be wonderful in my eyes when I see how our kingdom grows up to demonstrate that.”

Yoneq said that our Father is, by His Spirit, creating this stone. He is accomplishing it by love. He is creating that love in our hearts. What WE have to do is to be honest with Him. We have to be forthright and honest and then He will work in us. He will do that in us if we will be honest with Him. We must be true — no deceit or falsehood — not treacherous, but faithful. THIS is what He is working in us right now. So that we are not saying one thing and doing another.

We have to keep on acknowledging Him and giving thanks and He will direct our paths.

He is going to bring forth a Male Child with absolutely no deceit in them. There will not be one lie in them.

They will be just like Messiah in this. They will be so pure that fire comes out of their mouth and they will be *righteously* indignant, which we cannot be. This is what WE are producing. We have to be thinking about this now, not then. *There can be no deceit or falsehood*— everything must be out in the open.

Ha-Emeq talked about how it is not us who is cutting this stone out, but it is Him. We are not doing it. We just got cut out of a mountain. People will ask her about us, “Where did you come from?” I don’t know. Without any hands this giant stone got cut out of the mountain.

Yoneq said that we have been cut out of Satan’s kingdom. A remnant is cut out of that kingdom, and then we replace it, supplant it.

In a mountain there are veins of gold and precious metals. Men work really hard to get them out, to extract them from the earth. The character of stone has to be in us — the stone-like quality. He has to get the precious from the vile in us. The mushy qualities in us have to be extracted.

The mountain that the stone was cut out of in Dan 2:34 evidently was not godly, but the stone was. It was a false mountain and the stone was cut out of *it* and made another mountain. To be hard enough to crush iron, it has got to be a *precious* stone.
