

Forgive from the Heart

Every morning we have the opportunity to receive His strength, His grace to start the day. And if we receive it, it changes the way we look at everything. It is truly a miracle when you receive His grace. We were of the world, separated, in death. The only hope that anyone has for life is in the places in the world where the Spirit dwells — where His light is. Light exposes darkness. Whoever is YHWH's people truly will produce that light. And we provide light for one another.

We need to forgive *from the heart* and not bring up things from the past. Those who are pure in heart will be received by Him. In the parable in Mt 18, our Master is saying that if you don't forgive, He cannot forgive you anymore. You've been *forgiven in your heart*. You have to forgive from the heart. If you keep bringing things up, it means you haven't been forgiven. If you don't have a forgiving heart, there is no way you can have communion with Him. It's all pretense — in the mind. Christianity is in the mind. Discipleship is of the heart.
