

Receiving Grace

There is no way to receive grace unless you are in a humble place. Grace releases love from your heart. If you are in a humble place then you are thinking rightly about yourself. You can receive grace because you desire it. There are hundreds of places in the New Testament about love, grace is available so we can love. We go to the throne to receive grace to not sin. This enables us to have growth in our lives. We are to have grace not to sin so we can experience restoration in all our aspects, so they can be upgraded, coming back to having a relationship with our Father. 1 Jn 3:5 — He forgives us when we are genuine and sincere, but it is not just sinning and repenting but confessing and renouncing. We must prosper, if we are not prospering we are holding onto sins, not confession and forsaking. Sometimes we think our sin has such a hold on us we won't let it go. 1 Jn 3:22; Eph 5:10 — We have to want to please Him. Try to please Him, experience it. The throne of grace is for the reason our Master used it. Use the throne of grace in order to not sin so in the time we are not sinning He can work in us to restore us.

Gal 5:24 — We are vulnerable but we are not susceptible because we crucified the flesh. When we've crucified the flesh is when we can be healed. Grace is provided so we can walk in the victory. Heb 4:15 — He overcame by grace because He wanted to do what is pleasing in His sight because He wanted to bring redemption. He loves us because we voluntarily give into Him. You can't help evil thoughts coming to you but you can help to not entertain them, you can reject them. We need to get rid of degrading things (Jn 6:44-45; 14:23).

Victory Cup

Whoever overcomes will have many promises because they are made adequate and made fit. We need to overcome being timid. We must overcome things that keep us from being what we are supposed to be. See to it that no one misses grace. Overcoming means to surmount. We all know if we've overcome this week or if we haven't. We know if we have been abiding in the vine, which produces love for the brothers and sisters. Ask for grace to overcome in that particular aspect you have weakness or have a problem in. Eph 3:12 — You have a right, you have access.

Eph 2:6 — Positionally we are already there. We are in the process of restoration. That process will take effect in our lives, that is why He chose us. If He saved us when we were outside of Him, how much more would He save us when we are in Him?

From the beginning we had the heart of our Father concerning Cham. Lo Nekar came to meetings of Shemites without reservation. There will be a great demonstration when thousands of Chamites come in after Lo Nekar.
