

Ways

Isa 2:3 – *Ways* is #1870. It is the Hebrew word *Derek*.
Paths (#734) is *Orakh*.

Paths are well-trodden roads, manners, races, even a highway.

Isa 2:6 – Because they are *filled* with Eastern ways, *replenished* (#4390). They were filled with Eastern ways and manners. They were walking in the eastern paths, the worldly ways in them. They were almost beyond remedy, to the point of being soothsayers. *Soothsayer*, to practice soothsaying, is #6049. *Sorcery* is #3786. Sorcery is tricking others through cunning. It makes a person a person believe a lie. They fall under a spell, under the sorcerer's enchantment. Sorcery is a craft learned in Bible schools.

Overthrow is #2040. It is to subvert, to overturn or to turn off the basis. An *overthrower* is one who overthrows, defeats, or destroys. A scoffer or mocker overthrows the ones who are barely escaping the enemy themselves, by parents who are abiding in the commandments. *Therefore, Pr 22:10!*
