

The Three Eternal Destinies #155 *Social Degeneration*

Social degeneration breeds a brood of social degenerates (Gen 3:19; Isa 24:5-6) — mental degenerates, physical degenerates, emotional degenerates, spiritual degenerates, and then sexual degenerates. Have you ever been to St Joseph, Missouri? (Eze 16:49-50).

When the wife does not fulfill the husband, she is breaking the everlasting covenant, and breaking the covenant causes the breakdown of society. Society's breakdown is caused by socially degenerated people who have followed the trend of having been led astray by Satan and will spend eternity with him (Rev 20:3; Mt 25:41).

Mt 25:31-46 is speaking of the social degeneration of the masses — only a few received the strangers into their house or visited them in prison, clothed them, fed them, etc.

Isa 24:5-6 — This moral breakdown is described in Rom 9:29, even as in Sodom (Gen 18:23,25; 2 Pet 2:6-8) as it was in the days of Lot (Lk 17:28-29).

Gen 3:19 — The welfare system keeps the nations from giving to their neighbor. It lets them “off the hook” from loving their neighbor as themselves. The more socially degenerate, morally degenerate, sexually degenerate, mentally degenerate, emotionally degenerate, and spiritually degenerate children they have, the more money they rake in from the social welfare system.

The Dole in England

“I’m on the dole,” they say without any embarrassment. A corrupt government is produced by a corrupt people who have broken the everlasting covenant. The world therefore must come to its end (Dan 2:44). This present degenerated generation will not pass away before it comes to its final destruction (Mk 13:30; 13:24-25).

Degenerate — to decline in social, physical, mental, and moral qualities in every aspect of man's personality. Go to France see the decline, see the degraded people. Go to any country that watches TV or listens to the radio, believes the newscasters, goes to church.

Rev 18:2 is the nature of all of Christianity today. Go to church and see. All the spiritual degenerates go on Sunday morning to a building they call a church and listen to a liar who loves lying (Rev 22:15).

Men have become degraded more in the last 50 years than any other period of time. Isa 24:6 — Only few are left who have not broken the everlasting covenant, and Zech 14:16 will be true in the end.
