

The Three Eternal Destinies #59 Colonization

Colonization will take place in the *millennial* (1,000 year period of the next age; Rev 2:26-27; Lk 19:17,19). People will go back to their own nations, even as the Apostles of Yahshua, who were Jews from Israel, along with the third of the Jews (Zech 14:16, as in Mt 19:28). *Colonization* was His purpose before the creation, just as Yahshua was a Lamb slain before creation. God knew what had to take place if He created man to rule over all the works of His Hand (Ps 8).

Colonization means: to *plant* (generations) by procreation (Eph 3:21, *in the Eternal Age*), to plant colonies of generations of mankind (formation of colonies).

A *colony* is a company of people *transplanted* from their mother-land or country to a remote province or country and remaining subject to the rule of the parent state, as Rev 22:5. "All generations (Eph 2:21,4:10) forever and ever" of mankind will "fill all things."

Earth will be the Head-quarters (Rev 21:1-4; Eph 2:19-22) of the Body of Messiah (God's Dwelling place).

This is the Wife of the Lamb (Eph 1:23), the 12 Tribes of Israel (Acts 26:7; Jms 1:1; Eph 2:12; Rev 21:9-12).

Colonization does not take place until all the *inhabitable* areas in your own country have been filled up (Gen 1:28; 9:1). "Fill all things" means "fill the universe" with the very image of God, the Creator (Eph 3:21; 4:10). Gen 1:26 — The full counsel of God said, "Make man in *Our image*" (the Godhead).

There are certain qualities innate in us which are from God, our Creator, such as: reason, personality, intellect, the capacity to love and relate, the ability to rule, to hear, to see, to speak, etc. Man (being a social creature) reflects divine nature. God wanted to fill the earth and also the universe up with these qualities in man that reflected his divine nature. He wanted mankind to have dominion over the earth and all that He made (Ps 8:5). God created men to be His Kingdom (agent), to rule, to subdue the rest of creation, including the aggressive satanic forces and influences.

The word *agent* means one producing an effect for the purpose he is sent, created for or authorized to do something, as in Mt 28:18-20. Man was God's AGENT to carry out HIS PLAN and PURPOSE for all the earth and universe.

Satan did not waste any time showing his interest in ruling over what God created and protecting his own interest, which was EARTH (Mt 4:8-9). This was his domain after the fall of man.

1 Jn 5:19; Gen 1:26-28; Ps 8:4-6 — We see man's *essential* or *intrinsic worth* here (meaning inseparable from himself) in Ps 8:5. He was made a little lower than Elohim. Man's ability to rule, to reason, to judge, to create, etc., is inseparable from or intrinsic to his very nature, which is made in the image (reflection) of God. The word *essential* means absolutely necessary, pertaining to the *essence of a thing*.

"You have *made* ..." or *created* man meaning: born, inborn, innate, inherent, essential, of value and worth. Man is God's highest thought. Man is *distinct* from all other created things because he has God's image and likeness in him as in Gen 1:28 and 9:1. God said to replenish (fill up again) the earth with His image and likeness in Gen 1:28, to now *replenish* the earth with His image bearer — MAN. Man was the first creature made in the image and likeness of the Creator, God.

"Cave man" was an *animal*, not a MAN made in God's image and likeness. The so-called "prehistoric man," before the first flood, was not His image (Gen 1:2). In Gen 9:1, God's image was in man, which Noah *retained*, but it had previously become degraded in the rest of mankind to the point of being like Gen 6:5. Only Noah and his family retained His image and were righteous. Man was fallen, but *still* if man *lived* by Gen 3:16-19 and now 9:1-7, he would *retain* God's image and likeness in the qualities such as were mentioned above. After man rose from the first death, those who lived according to Gen 3 & 9 would be rewarded with a second life to fill up the earth and the universe.

The Edah — A Comparative Analysis

The Edah is the light of the world. God was looking for a community. God loves community (Acts 2:44-45; Jer 31:1). He hates what the first church became (Rev 18:2). She "became" Christianity. She became what He *hates* (Rev 2:6,15) — a Nicolaitan system.

He made man "a community." He made man (male and female) as a family and group of families, to help support one another by the grace of the qualities of God's image. He wanted man to live in community and then colonize other planets — to "swarm" (#5712, as from a bee hive). This is what *Edah* means. It means *bee hive*. Man is to go out and plant in his region other communities related to "the mother *Edah*." They are to establish their own rulers, but under the watchful care of God — elders ruling in His place as good shepherds representing Him, over all the earth (Mt 24:14) in every place (1 Tim 2:8). The *Edah* is the light of the world, a "foretaste of the next age" (Heb 6:4). The word *analysis* means to break down and identify the components of something. *Comparative* means to compare. Just as the righteous of the nations are to swarm and continue generations without end (Eph 3:21), reproducing God's image throughout the universe for all time, so the purpose of the *Edah*, comparatively is to "swarm" going out and reproducing its life over and over again in this age. Without the Holy City being "among men" (Rev 21:3-4), there will be no guideline by which the nations can follow the directives of God. They need healing (Rev 22:2) and our direction in order to colonize the planets. "Mother earth" will be the model throughout eternity.

Restoration and Deception

Acts 3:21 — the next age will be the beginning of the restoration of this rule of man over all things, to fill the earth with His image and likeness in man. When man fills up the earth, then Satan, at the end of that age will be loosed to lead astray every natural man (Rev 20:3,7-10), so it can be determined who will "go over" as scions into the eternal age to be the Wife of the Lamb (Rev 21:1-3,9,12), the Bride who, in this present age, prepared herself, was worthy to rule in the next age (Rev 19:7-8). But she was tested (Eph 6:12-13) at the end of this 6th day by the same enemy forces which will be released at the end of the 7th day. This will be when Satan will again preach that "other" gospel through "his servants" who were not true (in the 7th Day) as in this age, in the *Edah*, even as Christianity has corrupted the whole world in this age (Rev 18:23; 19:2,3) through a false gospel (2 Cor 11:2,3,4,15-18) and begot Satan's "Bride" — Christianity. The deception is great (2 Cor 11:15). They came preaching another *Yahshua*, another spirit, another gospel (2 Cor 11:4), just as he will once again do at the end of the millennial Kingdom (Rev 20:3,7,8). He will do it as he had done it before. He always "leads astray." He is the serpent of old, *cunning*, deceptive, as Christian preachers are today.

Remember that Satan is a *spirit* being. To be effective he needs human agents to be his mouthpiece, as 2 Cor 11:2-4,13-15, which describes how he took over the church in the second century and turned it into Christianity (Rev 18:2, she *became*).

Satan's servants will be full of sorcery, great speakers, flattery. At the end of the millennium Satan will be loosed for about 50 years and once more go out and deceive (lead astray) man with a false good news, even as Eve and as Israel and as the early church were deceived (Rom 11:21-22; 2 Cor 11:2-3).

In this age and in the next, men will be raised up, as in Acts 20:28-30, to lead astray, to lead a following to themselves — creating division, faction, denomination, sects and calling it a "mystery of spiritual unity."

"I have learned, that although, Christians do not always agree, they can disagree agreeably. The family of God contains people of various ethnological, cultural, class and denominational differences. I have learned that there can even be minor disagreements of theology, methods and motives but that within the church there is a mysterious unity that overrides all divisive factors." — **Billy Graham (quotation from Billy Graham pamphlet for new Christians)**. This is what Jn 17:21 and Jn 13:34-35 meant to Billy Graham — that the church "has become a great, glorious and triumphant organism." **Growing as Christians** — page 31.

Bewitched

In Gen 1:21 it says, "after their kind", even as 2 Cor 11:2-4,13-15 produced *another kind*. The laws of genetics *preclude* (by the same seed) any evolution into another kind in Acts 2:42-47; 4:32-37; 1 Ths 2:14. *Like produces like* — if it is the same seed, the "Holy Spirit" (Rom 9:29). Rev 18:2-5 was another seed — Satan's seed. Lk 1:35 — This is the counterpart where Satan "bewitched" (through versatile cleverness, sophisticated cunning, deceptive scheming, #3834) the first church (Gal 1:6-9)

and planted a seed in her womb by fornication, adultery with the world, making her a "Harlot" (2 Cor 11:2-4), *another kind*. *Bewitched* also means to cast a spell, (sorcery, Rev 18:23), to charm, to fascinate, allure, beguile, captivate, enchant.

Men are judged already, either by Jn 3:18 or Ps 19:1-6 (the Everlasting Gospel, Rom 1:18-20). This is the only gospel billions will ever hear (Ps 19:1-6). But this is enough to convict the whole world that there is a God who cares (Rom 1:18-20). Ps 19:1-6 is the proof that God will use to save men (for eternal life) from the second death. All who received this gospel in Ps 19:1-6 will be worthy of a second, *eternal* life in the nations, for it is a "righteous witness" (Mt 10:41) and will pre-decide one's eternal destiny. This is the same as Jn 3:18 and Ps 19:1-6. *Rejection* of the gospel of creation (Ps 19:1-6) is the same as *rejecting* the gospel of Messiah (Jn 3:18) — "they have been judged already" (Jn 5:28-29; Rom 2:14-16; Rev 20:11-15). Ps 19 is for the nations. It is the gospel spoken through the Male Child (Rev 14:6-7; as Isa 24:5-6; Rev 11:18; 16:8; 14:6-7; 16:2,3,4-6; 14:10-11).

Rev 16:6 — God's judgment is *retributive*, bringing *justice* which is an *equal weight* with the crime (Rev 16:14; 19:19-20; 20:7-10). This will be at the end of both ages. The evil spirits (Rev 16:13) preached a message and gathered men together in rebellion. The only hope for Satan was if he could destroy Messiah (Rev 17:14).

Rev 16:14; 17:12-14; 17:15-18. Before Rev 17:16, the voice in 18:1-2 gives warning that 17:16-17 was about to happen in Rev 18:4. Rev 18:8 & Lev 21:9 is proper punishment for the harlot (Gen 38:24), as in Rev 16:4 — retributive judgment and justice of equal weight with her crime (Rev 17:6; 16:6).

I think the earth is over populated, and to reduce the population and start over is the Beast's propaganda, and all who are faithful to him will share in the *plunder*.
