

The Three Eternal Destinies #76 *Where are the Righteous Today?*

Who can be the *Righteous* of Rev 22:11 today in a socialistic society? Who can be a righteous farmer today with all the competition compelling the use of deadly chemicals in growing their crops? Can there be a *righteous* politician, lawyer or doctor? What about a school teacher whose curriculum is full of *propaganda* for socialistic trends? Could there even be any *righteous* among the so-called *educated* society who elected President Clinton?

Dan 2:44 is in store for the world's governments, and all who go along with them. Those who are in opposition to the setting up of this Kingdom are the ones who break the everlasting covenant of conscience, compelling society to go along with their *friendly persuasions*, even as the 1960 Democratic party platform demonstrated, bringing in socialized Medicare. This is an example of the "friendly" persuasion of society, bringing people under the *control* of the state. A good example is France's Social Security program.

This will be a clever way to *nullify* the gospel (the *right* to give up property, farms, etc., Mk 10:29). In France no one can *give up* his house, or inheritance, or money without a 60% tax!! (Dan 7:25) "The Right To Life" (page 325). In today's society the gospel will be *suppressed* as fast as Satan can "impose" *restrictions* upon man's rights and freedoms (his inalienable rights).

Those who have been raised and trained by parents in the secular society of the world today (the world that God loved so much that He gave His only begotten Son to save) have *set* their children's course *in the way* of the *Unjust and Filthy* (Rev 22:11). How could one turn out righteous when from *infancy* he was *trained* to sit in front of a TV set, given every whim and desire, sent to kindergarten for 6-8 hours a day, and then be *trained* by the state in the "way they should go" and not be expected to end up being *unjust still* or *filthy still*. They were not trained to be on the way that leads to *life*, but on the *broad way* (which ends in *eternal death*). The only hope, it seems, is the good NEWS — the message of hope.

Then, if twelve years in the hands of the *state educational system* is not enough (which has *indoctrinated* the students in the way of the second death), four more years can be added to get one good and ready for the Lake of Fire. Even if that is not enough, two or four years more can make one really unjust in his *profession* (in his desire to be rich, 1 Tim 6:9).

What if everyone knew 1 Tim 6:9 and what it meant in its *eternal consequences* — sealing themselves in their destiny of the *Unjust*. They seek after unjust gain, even at the *expense* of another man's gain. They take away people's earnings which they need in order to support their own families, forcing them even into unjust measures to survive, even welfare, social services that become mandatory, forced by the state, propagated by the state education persuasion.

Contentment is Great Gain

1 Tim 6:6 — Who can achieve to this *high level* of character today? Who is *willing* to be *satisfied* in the basic things of life (being *content* with a *good conscience*). Going outside of this boundary for saint or sinner is a *dangerous endeavor* (1 Tim 3:8). Can a person have a *good heart* if he is *not* content in whatever is true food, and real clothes — the basic necessities of life (true spiritual food, and real spiritual covering). What if he *prefers* unclean or polluted food, or synthetic, imitation clothing or synthetic fur covering? What if a *so-called* brother is not being content with real and genuine submission? (Acts 2:42). Can he have a good heart if he is not content with these things? Can he be a *friend*, in *koinonia* with the *apostles*, without sitting under their teachings or studying their teachings, and teaching their teachings? This is how *koinonia* comes. This is why Acts 2:42 says "their teachings and fellowship."

The Holy

Before there can be a Third Category of an authentic "Holy People" (in Rev 22:11), they must first appear on earth in this present evil age as a Twelve-tribed nation of Israel (Rev 21:9,12; 1 Pet 2:9-10; Mt 21:43; Lk 1:77-79; Mal 3:1-4). They are the descendants of Abraham (Gal 3:29). All who belong to Messiah in the twelve tribes of Israel are Abraham's seed (Isa 49:6). There are no holy ones apart

from a twelve-tribed nation, in twelve different geographical locations on earth in these last days (Rev 7:5-8). This is "the woman" from whom the male child is birthed (Rev 12).

Rev 21:3 — *Thømen* mentioned here is in reference to the eternal nations (verses 24,26).

His dwelling place is the Twelve Tribes of Israel, the Wife of the Lamb (verse 21:12). The *Nations* in Rev 21:24,26; 22:2 are the men in Rev 21:3. Men of the nations (*1484*) in Rev 21:24 are an organized people who are ruled by the holy ones (Rev 21:24,26; 22:2-5). The *Holy ones* rule and dwell *among the nations* of man. There will be order and government established by us in the Nations. These Nations will be made up of those who lived according to his *conscience* in this present evil age. These nations will have *Kings*.
