

## **The Law Restores the Soul**(*Ps 19:7*)

Heb 4:12 – The Law, or the Word of God, is in our hearts to restore the soul of man (Jms 1:21). Before one can be changed he has to know what is wrong with him.

Rom 1:28; 2 Ths 1:8 – They did not retain, or maintain their own righteousness, but they made themselves unjust and filthy (Weymouth, Rev 22:11). But the righteous maintained or retained their righteousness.

The holy were made holy by Messiah.
