

## **The Body of God, Part 2**

Can you imagine who we are? He is looking for a home. Our Father is homeless. We are going to be His home. He can come and dwell in us forever and ever and ever. We're His dwelling place. It puts it in better terms for us to understand to say that we are "the Body of God." We're the "Godhead bodily." Our Master was the incarnation and we're going to be just like Him. We're going to have the same incarnation. God is going to dwell in His Body. He's going to be in us forever and ever. He is going to be seen. Now He is a Spirit and He can't be seen. But He wants to be seen.

Our Master said, "When you've seen Me, you've seen the Father, because the Father dwells in Me."

We're going to be the same way throughout all eternity. We have to be seen by human beings and that's why there has to be the "Nations." The Nations are going to populate and colonize the universe forever and ever and ever without end. They will be with us, as people, as trillions of bodily cells that can be reproduced. The increase of His government will never end.

His government will continue to increase. He's going to have to somehow increase us and make from us millions more to take care of the universe and the nations who will continue to steadily grow for trillions and trillions of years, inhabiting the trillions and trillions of galaxies and planets. It's going to be forever and ever. Eye has not seen and ear has not heard nor has it entered into the hearts of man what he has prepared for those who love Him. And it's been revealed to us by the Spirit, what He is actually going to do with us. He's going to dwell in us and our spiritual offspring. The nations are going to have physical offspring, just like we do now. But we're going to be spiritually increased and divided somehow and made into sons of God.

The righteous of the nations are going to be "righteous still" — that means eternally. They are not going to ever come in to be part of the holy. The holy are going to be "holy still." So we have to rule over every cell in our body now because we are going to be rulers of all things. Our Master in Rev 22:5 said we are going to reign, to rule forever and ever.

Now we're learning to rule over our little domain and be faithful. In the next age we are going to be increased in our responsibilities. We are going to rule over ten cities or five cities. You'll be a ruler, a king in the next age. You'll be a wonderful king, not on a throne, but under a tree (Zec 3:10), talking to your brothers, encouraging them, talking to them, establishing. You'll be taking them to Jerusalem every year.

Then in the eternal age it's unfathomable what our Father has. Can you imagine it? We can barely imagine it as the Spirit reveals it to us (1 Cor 2:9-10).

The increase of His government will never end. As the nations increase, we will increase. It's hard to understand isn't it? "Eye has not seen, ear has not heard, nor has it entered into the hearts of man what our Father has prepared for those who love Him."
